Co-Creation Hub

## Welcome to Innovation Showcase Week (ISW) 2020

In its second edition, ISW 2020 would unveil the best of West-African innovation, a range of daring solutions to some of the most pressing industrial and consumer problems in multiple sectors.

ISW 2020 aims to connect corporates with companies in the Facebook accelerator and some of CcHUB's portfolio startups. 18 startups and 500 business and industry representatives would interact at ISW 2020.
